Be A Spelling Bee Champion

The American Center is hosting its first Spelling Bee! To all of you English learners who have been working hard to learn to spell tricky English words, this is your chance to shine. The competition will be divided into two preliminary rounds of 30 people each and one final round with the top 14 spellers from the preliminary rounds. We will select our contestants based on the first 60 people to correctly fill out all the information on our registration form.

Rules of the Spelling Bee:

1. Contestants will spell words one by one. They will hear the word pronounced, then will have 30 seconds to spell the word out loud. Participants may not write the word down first.
2. Contestants are allowed to ask for the definition of the word and its part of speech (verb, noun, adjective etc).
3. Only English language learners will be allowed to participate, since native English speakers would have an unfair advantage.
4. In the preliminary round, the game continues until there are 7 contestants to advance into the final round. The final round will have 1 Champion and two runners up.

After the competition portion of the Bee is over, stick around for word games designed to help you learn more vocabulary while having fun! The preliminary rounds of the competition will be held at 10:00 a.m. on *August 23* and *24* with the Final round on *August 31*, 10:00 a.m.
